

TUITION & FEE SCHEDULE 2017 – 2018

CMS uses the FACTS online payment system. All families enrolled are required to establish a FACTS account for payment of tuition and fees. FACTS charges a \$55 initial enrollment fee. Families choose to pay annual tuition in 1 installment, 3 installments or 10 installments. Annual tuition payments begin in July for the school year which starts in August. Students starting mid-year pay a pro-rated tuition amount, but other fees still apply.
